

PDOGE MEMEPAPER

The Purple Enforcer of Polygon

What is PDOGE?

HECK FREN, glad you asked! PDOGE is not your average Shiba token. We're a based purple guardian with tactical sunglasses, prowling the Polygon blockchain to yeet corruption into oblivion.

Our Mission

- Step 1: Find corrupt officials
- Step 2: Throw PDOGE at them
- Step 3: Watch them cry
- Step 4: Profit???

Tokenomics

Total Supply: 3,136,383 PDOGE

50% liquidity available on Uniswap

Security Features

- Thirdweb's Token Contract: Built on the solid foundation of Thirdweb's ERC20 Token contract, known for its reliability and signature minting capabilities.
- Signature Minting: Allows the team to authorize minting by external parties securely, enabling cool future features!
- Contract Renounced: Yup, like your corrupt officials' careers
- LP Locked: Harder to unlock than a politician's offshore account
- Audited: More thoroughly than government spending

How It Works

1. Corrupt official does corrupt stuff
2. PDOGE community spots them
3. *Aggressively throws PDOGE tokens*
4. Their fiat becomes worthless
5. They now only hold PDOGE
6. Justice = Served

Community Power

Roadmap

Phase 1: Launch & LOL

- Deploy on Polygon
- Make corrupt officials nervous
- First tactical PDOGE throws
- Trust us bro, it's gonna be epic

Phase 2: Growth & MORE LOL

- CEX listings (the good kind of exchange)
- PDOGE throwing competitions
- Corrupt official tracking system

Phase 3: MAXIMUM LOL

- Global PDOGE throwing events
- Anti-corruption DAO
- Cross-chain PDOGE throwing capabilities
- Corrupt officials' tears collection

Partnerships

We don't partner with corrupt entities (looking at you, traditional finance 🙄)

Tax Structure

- Buy Tax: 0% (We're not corrupt, ser)
- Sell Tax: 0% (Still not corrupt)
- Throwing Tax: 0% (Throwing PDOGE is a public service)

Smart Contract

Disclaimer

This is not financial advice. But if you see a corrupt official, you know what to do. *winks in purple Shiba*

Conclusion

PDOGE isn't just another meme token. We're a movement, a revolution, a pack of based purple Shibas with tactical sunglasses ready to make corrupt officials cry. Join us in our mission to make the world a better place, one PDOGE throw at a time.

Remember: When they go low, we throw PDOGE! 🎯

This memepaper is subject to change based on how many corrupt officials we find and how hard we need to throw PDOGE at them.
